

138th Eglinton parkrun 24th Oct 2015

The course was pretty waterlogged with the river flowing slightly over it's bank. Some of the puddles were deep enough to cover Peppa pig but 116 sturdy runners still managed to master the course. We had 13 representing our club today and they were:

Alan Douglas
Paul Lafferty 1st SM 20-24
Jim Sneddon
John Surgenor 1st MV 60-64
Jim White
Joe McNamee
Mike Flinn
Susan Rhodes WV 55-59
Liz Colquhoun
Sharlene McGilvray
Bob Nicol
Lorraine Dobbs
Ian McManus 1st VM 70-74

Bob Nicol became the third member of our club to reach the status of 100 parkruns under the belt. Congratulations Bob. We didn't have anybody stewarding this week and no one got a PB which would have been some effort with the very slow course. Well done to everyone who represented the club on the day.

137th Eglinton parkrun 17th Oct 2015

For the first time in weeks the course had a few puddles to run through and was quite muddy but we still managed 174 runners with 11 coming from our club.

Richard Dennis 1st MV 45-49
John Surgenor 1st MV60-64
Joe McNamee
Mike Flinn
Pamela Porteous
William Herman
Liz Colquhoun
Bob Nicol
Yvonne Gallagher
Lorraine Dobbs
Christine Herman

Unfortunately we had no PB's this week but conditions were not the easiest. We had three members doing their bit as stewards and they were Alan Douglas, Paul Lafferty and Jim Sneddon. Well done to all our members who represented us on the day.
