

### **140th Eglinton parkrun 7th Nov 2015**

A wet morning with a wet course, there were more puddles this week and just as much mud and leaves to make it a slow week for running with only 101 hardy souls running this week. Ten of the hardy souls were representing our club.

Paul Lafferty 1st SM20-24

We had one of our ladies stewarding and that was Jennie Jackson who hasn't been able to compete for a while as she is finding it hard to shake her injury so we wish her well and hope to see her back running soon. Well done to everyone who represented our club on the day.
